

Board of Health Monthly Meeting
January 8, 2013

The meeting began at 7:PM with Larry Davis, III, Chairman, Jack Bellinger, Member and Scott McFarland, Agent present.

Previous meeting minutes were read and one correction was made regarding the spelling of Joe "Hill" to Joe Dilk.

Brian Petrucci of 1065 Clayton-Mill River Rd. was present with questions concerning any regulations on wood furnaces that are installed out doors. William Breen of 1617 Clayton-Mill River Rd. is considering putting one in his yard. Mr. Petrucci's concern was the drifting of the smoke invading abuters' property. He was advised to talk to the Building Inspector, Tom Carmody. However there does not seem to be any regulations by the BOH locally or State-wise.

There were no Title 5's to report.

A new design was submitted by David Schoenfarber at 1448 Hartsville-New Marlborough Rd. (Map 401-Lot 54). The plan was approved.

Alliance meeting was to be Jan. 10, Jack Bellinger volunteered to attend.

Final item on the agenda was to review septic pumping reports.

Respectfully submitted,

Pia Bellinger, Sec.
