

Board of Health Town of New Marlborough

Monthly Meeting

August 6, 2014

The Board met at 7:15 PM with Scott McFarland, Agent, Norm Hankey, Member, and Larry Davids III, Chairman present. Jack Bellinger was absent.

Minutes of the previous meeting were approved.

Septic Designs: 63 New Marlborough-So. Sandisfield Rd. "Master Garbologist site". The building is being leased owner Weinstein, Some is to be used as storage place and some as office space. A new system is desigend for septic where there had been none. There will be a poured floor at the end of the building for a bathroom. The design was approved.

WaWa Segowea has had a good season thie 88 overnight campers with many day campers. The design included campers and staff and it is questionale whether the increase of day campers has sufficient capacity to accomdate addition of the day campers.

Any health problems were handled by the hospital. Most complaints were miner.

A beaver peermitt for Steeplehill Rd. Rodney Williams estate. Conservation Committee to l@ok at the problem.

The property at 122 Clayton-Mill River Rd. was sold.

89 Lakeside Rd., Owner requested to redo her deck which will hange over her septic. Does not have her own well. An upgrade for the whole system perhaps a Tight Tank.

At 29 Pine St. the dwelling is falling in.

David Ralph at 345 Old Hitchcock Rd. has his well.

The meeting adjourned at 8PM

Respecfully submitted,

Pia G, Bellinger, Sec.
