

NEW MARLBOROUGH TOWN LIBRARY TRUSTEES MEETING
MAY 15, 2014

Maureen Hosford, Brian Mikesell, Claudette Callahan and Debbie O'Brien were in attendance.

The trustees reorganized. Brian Mikesell is the chair and Claudette Callahan is the clerk. The minutes were approved.

Prism and National Grid reevaluated the lights. The emergency lights do not need to be replaced. The estimated amount is \$500 less than the original estimate. The Selectmen have to sign the contract. Debbie will attend the Selectmen's meeting Monday to insure that the contract will be signed and work will be done in this fiscal year.

Mike has not filled out the transfer papers for the retainer amount taken from the Library Account instead of Free Cash.

A Bake Sale will be held on May 24. A Friends' Meeting will also be held on that date.

The Friends will work on the fundraising letter, which has to be sent in June.

Neal Lidstone has not done the hatchway doors. They are at Lindell's. Debbie will ask Scott McCray to do the work and have the doors delivered.

The Memorial Day Parade will be held at the Library as usual.

The Summer Reading Program is full with 15 students. One child has an allergy. Debbie will ask Evelyn Vallianos to give her an epipen training.

The copier machine is now also the fax machine.

Two of the newer computers have trouble getting hotmail.

The next meeting date is June 19 at 5 p.m.

Respectfully submitted,

Claudette Callahan
