Discuss Sansoucy Contract Proposal:

The company has proposed to provide valuation consulting and engineering services on energy, complex industrial properties and regulatory matters involving the public and private utilities sector countywide. The company participates in the development, computer modeling and implementation of a county wide or regional wide automated appraisal valuation model for certain utility personal property which might be in our community like Berkshire Gas, Western Mass Electric (Eversource), New England Power, National Grid, etc. The contract is for 5 years at \$5000/year.

The board discussed change of meeting times from evenings to mornings. All agreed that commencing in May the meetings will be held the 1st and 3rd Thursday of each month at 8:30am in the Town Hall Assessor's office.

There being no further business to discuss the meeting adjourned 9:15am. The next meeting will be scheduled for June 13, 2018 at 8:30am.

Respectfully submitted,

Wendy W. Miller
