

Town of New Marlborough
State of Emergency

The [Town of New Marlborough](#) has declared a local State of Emergency to assist with our continued preparedness and response activities. The Board of Selectmen our fire, police, and EMS responders are encouraging you to follow Governor Charlie Baker's [Order](#) that all non-essential businesses to cease in person operation, and if at all possible the directive of the Department of Public Health to stay at home advisory for two weeks.

We encourage people who may have been in areas with a high amount of COVID-19 to take extra precautions and stay in their home for 14 days.

Please continue to follow the best practices from the [Massachusetts Department of Public Health](#) on hand washing and general illness prevention

Anyone with [symptoms](#) or in close contact with someone with a confirmed COVID-19 case should contact their medical provider and quarantine at home.

If you need non-emergency assistance during this crisis, please call 2-1-1. As always for life threatening emergencies call 9-1-1.

Sincerely,

Ed Harvey, Director

Town of New Marlborough

Emergency Management.
