

BOARD OF HEALTH
TOWN OF NEW MARLBOROUGH
MONTHLY MEETING APRIL 21,2020

Due to current virus threat the meeting was changed to the 21st of April with a telephone conference type meeting.

The members met by phone. with the Chairman calling the meeting to order at 6:PM.

All members were present by phone

The previous minutes were approved as corrected.

Old business: Mill River store

Scott issued a 6 months permit to operate on a limited schedule. The store will sell only prepared foods, newspapers and coffee.

The upstairs is closed and the main floors have been repaired,

Our supply of medical equipment, masks, gloves ,etc, is being shared with the other boards, fire, ambulance, and Fire departments.

SEPTIC DESIGNS:

252 NM So Sandisfield Rd. Mr. Ratachowsky is installing a composting system ,which will result in a 50% reduction in the size of the grey water only septic and leech field system. Notation to be put on permit that any change or disuse of the composting system ,by current or future owners shall result in installation of a standard size system.

A motion was- made, seconded and passed that only the Agent's signature is required to approve plans during this time when we are meeting by conference call.

132 Hartsville-Mill River Rd, had a failed system. The Board approved the pumping of the failed system into the adjoining system on the property.

627 Hayes Hill Rd. system upgrade / repair by Wilkinson.

Mr. Brecher of 35 Hartsville /mill river road who bakes and sells bread as a permitted cottage industry is in conversation with Scott about expansion of his operation

There was an ongoing discussion concerning the need for part time help with inspections and other issues Scott has a person in mind who might fill this position well ,we will bring this up to the town officers for approval .

Pia G. Bellinger,Sec,
