

Board of Health
Town of New Marlborough
Meeting Minutes for July 12, 2022

Meeting was called to order in person at Town Hall at 6:10 PM with Board members Larry Davis III, Jordan Chretien, Peter Marks and agent Scott McFarland present.

Minutes from June 14, 2022 were waived.

Jordan prepared a letter to the Selectboard from the Bd of Health confirming that he and Jayne had done a food inspection and found operations to be in order, but a food permit was not being issued since The Farm New Marlborough (Tom Brazie) owed back taxes and he did not have a current business license with the Town.

Jordan updated on Food inspections, noting that the Cantina 229 has a Taco Truck (Mobile Food truck) come in once a week. This mobile food service needs its own food permit. Jordan and Jayne are following up on this.

Potential facilities remaining for food inspections include: Gedney Farm, Mill River Farm, The Flour Bin, the Farmers Market, the Winery and Freeman Elms B& B.

A brief Public Health nursing update on Covid was reviewed based on the attached graphic from the SBPHC Covid Dashboard. The Collaborative has also been trying to facilitate useful distribution of towns Opioid settlement funds.

- 527 Cross to Canaan Valley Rd, Wasserman (Upgrade, 6-bedroom)
- 1643 Clayton-Mill River Rd, Fitzgerald (Upgrade, 5-bedroom)

Respectfully submitted,
Scott McFarland, Agent.
