The meeting of the Board of Selectmen convened at 11:00 a.m.

The Board discussed keeping track of materials and labor needed to repair the roads as a result of the storm damage from recent heavy storms. Highway Superintendent, Chuck Loring, has used \$15,000 for gravel and will need additional quantities. He is currently buying gravel from Wilkinson and estimates he will need 250 tons for Campbell Falls Road. Every culvert needs cleaning out.

A motion was made, seconded and so voted to declare a State of Emergency, effective July 19, 2021 for the severe storms the Town has experienced.

Outside contractors will be used to assist in the repair of the roads. Currently six Wilkinson crews are being used. The cost for these repairs is beyond the budget resources; additional funding will be necessary. Letters requesting additional funding, because of the road damage, particularly to the dirt roads, will be sent to Rep. Pignatelli, Lieutenant Governor Polito, Sen. Hinds and Representative Neal.

As there was no further business to be brought before the Board, a motion was made, seconded and so voted by all members to adjourn the meeting at 11:32 a.m.
