Discussion of approval of minutes. Chair makes a motion that another member could legally review clerks minutes, and Approve. discussion took place and members feel that we should all review minutes. Motion withdrawn.

Jeff Wallman arrives 6:09

minutes from meeting #1 July 22 were approved

minutes from meeting #2 July 31 were approved

both motioned and second.

There was a discussion of shortening the minutes with bullet points. There is a taped copy of all meetings on file with the clerk.

There was an update from the Chair and Eugene of the Planning Board Meeting  
there is an enormous amount of work to do, and we all need to stay focused.

There was a strategy discussion, and there was a discussion whether or not we should have industrial Zoning added into the existing bylaws.

Next was a discussion of the handout for Ellihu Burritt Day.

Jackson has worked with Dan on the handout, and Dan noted his hard work.

The handout was further adjusted , and agreed upon by the committee members,  
and the backside of the handout has definitions.

The committee also discussed possible questions that might be asked by interested citizens.

Again we were reminded that our goal is to gather information, and see what the community wants as a by law regarding cannabis.

Our goal at Ellihu Burritt Day is to get out the word , and encourage people to come to our first informational meeting , which will be held on September 24 , time to be determined.

Dan asked for volunteers for Burritt Day.

Meeting Adjourned 8:04 p.M.

Barbara Marchione
