

New Marlborough Town Library Trustees Meeting Minutes- August 24, 2017

Brian called the meeting to order with Debbie, Sally, Claudette and Brian present.

We interviewed two candidates for the library assistant position, Sheila Koneasny and Molly Goodchild.

Sally had to leave at 6 to go to work.

We discussed the two candidates and it was hard to make a decision. Debbie will discuss the situation with Mark Makuc and give it more thought and relate her decision to us. We later decided to offer the position to Sheila Koneasny.

The minutes were accepted.

We have begun individual computer classes at the library on Tuesdays. Since people have forgotten classes and not shown up, we will ask for a deposit to be returned.

The ARIS Report is completed.

Debbie will now work on the State Aid Report, which is due in October.

Debbie has met with Jonathan Charow, Nova Computer Systems. He will buy computers, order software from Tech Soup and can do classes. We are unsure about a monthly contract. We will get a proposal and more information.

Elihu Burritt Day went well. We raised Bake Sale-\$568; Books-\$621; Totes-\$15; Total-\$1204.

. Big Hearted Books picked up left over books.

The last Summer Series Film will be shown on September 12.

Debbie has not heard from Atwood concerning a bench for Maureen Hosford's garden. Claudette will call Finnerty Stevens. Debbie will check with Arienti and Wards Nursery.

Once we have hired a new library assistant, we will have an event to bid farewell to Mary Margaret Wrinkle and welcome to the new hire. The Farewell event was held on September 16.

The next meeting will be held September 21 at 5 pm.
