

Free Well Water Testing for PFAS

MassDEP is offering private well owners an opportunity to receive free testing for PFAS compounds in communities where 60% or more of the consumers use private wells, like *New Marlborough*. The link to apply for free sampling is <https://dwp-pfas.madwpdep.org>.

For more information about the program, see their FAQ (<https://www.mass.gov/doc/frequently-asked-questions-about-the-massdep-private-wells-pfas-sampling-program/download>).

FREE
WELL WATER
TESTING for PFAS

REGISTER
Well owners, please apply online for your free private well drinking water sampling kit.

SAMPLE
Receive your free and easy-to-use sampling kit. Collect water samples and return free of charge.

GET RESULTS
Find out if your private well drinking water contains per- and polyfluoroalkyl substances (PFAS). PFAS have been linked to adverse health effects.

Apply for FREE water testing TODAY
dwp-pfas.madwpdep.org

Apply promptly, this is a limited time offer, in select towns.
Applications must be made online. If using cell phone, orient in landscape mode.
