Regional School Planning Panel Seek Volunteers

The Town Moderator is looking for Town residents who would like to serve on the three member Regional District Planning Committee.

New Marlborough's committee members will join with similar committees in other towns to form a Regional District Planning Board. This Board will study and make recommendations to member towns regarding consolidation options for schools in the Southern Berkshire region.

The Regional District Planning Committee is set up under Massachusetts General Laws, Chapter 71, Section 14, which designates the Town Moderator as the appointing authority. This law also requires that at least one member of the committee be a member of the school committee.

Interested volunteers are asked to contact Sharon Fleck at 413-229-8116 by phone or send your background information and qualifications to: sfleck@newmarlboroughma.gov by Friday, January 24. The commitment could extend for two years or more.
