

Welcome to the New Marlborough Farmers Market
Sundays on the Village Green 10am to 1pm

We're moving from Saturdays to Sundays!!!!

Come and browse and buy from local vendors with local meats/poultry, eggs, jams, jellies, and so much more.

Vendors will have a variety of canned goods: jams, jellies, marmalades, dill pickles, dill veggies and other delectables.

Plus hands have been busy at creating crafts from knitted hats to sewn bags and jackets. From hand knit socks to wooden dancing marionettes (fun for kids as well as adults). Cards made with local photographs and so much more.

Be sure to check out our Community Table for those smaller vendors we like to help out by providing a hosted space for their handcrafts or eggs or They provide the goods and we sell for them with no fee for the space or the service.

Remember, no fee space makes this the perfect spot for family and friends to come and sell items they are proud to grow and make, for others to enjoy. Vendor inquiries are always welcome at knit1cluck2@gmail.com.
